

BUSINESS CREDIT

The Secret of Establishing Successful Businesses!

Learn how to aggressively ramp up your business credibility and financing potential from the person who wrote one of the nations first business credit builder curriculum, Megan Christensen.

During This Intensive Training You Will Learn:

- A Step by Step approach to lay a solid foundation of Business Credibility
- How to set your business up correctly
- Get business credit without using your SSN
- Learn how and when you can separate your business financing from your personal financing
- Access more financing for your business
- How to establish your business Credit Reports with all the business credit bureaus
- How to build your business credit reports effectively

Megan Christensen

Megan is an industry leader in Business Credit Building and Small Business Consulting. As COO for CreditSuite, she manages a team of over 30 top notch team members. She has consulted with over 25,000 business owners.
